Abstract

Here is an abstract. It is abstract but also specific.

Keywords: apa, papaja, science

Our APA document for Lab 8

I am writing an introduction. Caprara, Barbaranelli, Steca, and Malone (2006) found some stuff. But other people have found other stuff (Zimmerman, 1990).

Methods

We report how we determined our sample size, all data exclusions (if any), all manipulations, and all measures in the study.

Participants

Material

Procedure

Data analysis

We used R (Version 3.5.1; R Core Team, 2018) for all our analyses.

Results

Consistent with prior work

Discussion
